

SKYSCRAPERS, SHOPPING CENTRES, INFRASTRUCTURE ...

Over the past 30 years, the Toronto skyline has undergone a dramatic transformation resulting from growth and intensification. Have you ever wondered what was involved with shaping the landscape of a City? Have you ever wanted to be a part of it?

Toronto 2010

Are you a motivated young woman targeting a successful professional career after post-secondary education? If so, please come join us for the:

6TH ANNUAL REAL JOBS DAY
CAREERS IN COMMERCIAL REAL ESTATE FOR WOMEN

Ted Rogers School of Business, Ryerson University

WEDNESDAY, April 20, 2011

8:30 am – 3:00 pm

The Toronto chapter of the Commercial Real Estate Women's Network (CREW)* invites **grade 11 and grade 12 female students** to participate in a one-day event to learn more about careers in the commercial real estate field including:

- Urban Planning
- Asset and Property Management
- Brokerage and Leasing
- Law
- Development
- Property Valuation and Appraisal
- Engineering
- Architecture

The event is an excellent opportunity to learn all about the many career opportunities in commercial real estate through an action-packed inter-active program. Participants will also have the opportunity to meet and network with senior executive women working in a variety of fields in the commercial real estate sector. Please take a look at the agenda and sample of our speakers from last year's successful REAL Job's Day event.

APPLY TODAY. WE HOPE TO SEE YOU THERE!

* CREW is a professional women's organization with greater than 63% of the members CEO's, presidents, partners, owners or senior managers working various sectors of the commercial real estate industry.
